- Excluded from final.
- \$200.00

Thank you to all those that attended the training days on the weekend they were well attended and please encourage your club officials to upgrade and go to other clubs to learn from higher officials.

It is with sadness that we lost Barry Moore a couple of weeks ago, condolences to his family.

**State Technical:**

Thanks to all the people that attended the training day. We have given them an invitation to come into the tech shed at any time to learn at race meetings. All hands on work was done just in general.

We expressed to all in attendance to always check the KA website for any new rule changes and always check the rules, class homologation paperwork before making any decisions.

**State Track:**

**State Scrutineer:**

Thank you Graeme for the report.

**Correspondence.** In & Out: Moved Russell Frost and second by Graeme Monds.

**General Business:**

**Shannon Bright:** Harold found Tech shed very hot. Big fan needs to be moved, Shannon said he can do that. Shannon asked about the grandstands, need some small steps to get up, especially for older spectators. He is also going to see about them. Lap scoring board, Shannon has been in touch with a man regarding the board, he will report back to us next meeting, what he has found out.

**Tony Correa:** Red block got damaged by an official, not on our sup regs. Fun race between 2/3 clubs. Summer next year night race, light towers, Tony to see about them.

**Lorraine Aitken:** Many thanks to Wendy Wyhoon for helping out in the lap scorers box. And to Blaine Densley 2wo 7even custom graphics for doing all the labels for the entry confirmation.

**Geoff Curley:** Lunches. Officials meals. At the Power some officials come to get their lunch, and got it over the counter, Rhonda had spent an hour and half making their orders up, then they were left. Some of the visiting officials were told that their lunch orders had been made and they just had to ask for them, that didn't happen. The canteen staff and not yet used to who are visiting officials. We need to work something out to help the canteen staff. Geoff would like to buy a new cash register, one they have now is broken. It was passed at the meeting by the members present that he buy one. Flyers to be updated. RSA. Rhonda & Geoff want to get theirs.

Working bees no one allowed on track until all work has been finished.

Shannon sign: Steel to be bought so that the sign can be erected correctly and safety.

The canteen staff would like to thank the following people for their help over the weekend of the power: John & Frank Schena, Rachael, Tracey, Kathy & Geoff Medew, Gale Lopez, & Lorraine Aitken for her Help and yummy desserts.

**Lynda Richards:** she asked about the pile of soil, Tony is going to use it. Lap scorers and spotters, and light operator. Get other members to put light away and fire extinguishers, not the ladies who have been working out there all day. Anyone going on the track MUST have a safety vest on.

**Peter Richards:** Deep briefing after race meeting to discuss things and how the weekend went. This meeting is the briefing. Bathurst day at the clubrooms, expression of interest? More on that at the next meeting.

**HELP** urgently needed. We need another lap scorer and spotter, can someone please help, also we need a person/s to learn to do the lights, as Luana is leaving, but she is willing to teach the volunteer how they work. We would like a couple of extra people to help up there, on race days and on our opens, so that everything is covered. Lorraine cannot do everything alone. We need a couple of extra people to learn what goes on up in lap scorers box, incase that one of our girls are ill at any time or have to have a day off for some reason. If we do not have those positions covered we will not be able to run the race, you will be shown what it takes to do the job, please think about helping, your help would be greatly appreciated, as I have said before we cannot leave it to the same ones, they need help. If you are interested in helping and I hope there are some members who would like to do it please see Lorraine.

**Geoff Medew:** We need extra bins, some are broken. See Veola or council about getting some.

Thanks to Geoff Curley for getting the sponsors.

**Russell Frost:** Tech shed, temp fencing for when we have opens.

**Transponders:** The price of transponders this year is **350.00**.

**Members:** If you want to renew your license, you have to do your membership first. If you wish to race on a race weekend, and your license is due for renewal, you must have your license done with Lorraine by the Wednesday before the race meeting, as they have

**to have all information about your license on the computer by late Wednesday night.**  
For anymore information see Lorraine or give her a ring.

Meeting closed at 9.20pm

Next meeting is on Tuesday 12<sup>th</sup> April, at 7.00pm.

MEMBERS REMEMBER THERE IS NO RACING ON 27<sup>TH</sup> MARCH, EASTER  
SUNDAY.

Everyone have a great Easter be careful if you are travelling, see you all at the track  
for racing in April.
