COVER: All the clowning around for the 2009 C & D Grade Championships- Scotty, Geoff and Koko ham it up. – C& D Grade Results inside- [Photo by Alfi]

This Month in Karting:

G'Day,

What a big month, C & D Grade Championships – 10th Anniversary, what a great race.

July interclub racing was a great success, it saw a few snuck down for a preview of the track for the C & D Champs, plenty of exciting racing plus a great atmosphere- what else could you ask for?

The C & D Grades practise day didn't offer much hope weather wise but what a great couple of days followed. The results in full are include in this newsletter.

Apologies to the winners from last [June] clubday, seems I missed adding them in last month- these too are included in this edition.

The C Grades were entertaining, I have been sent photos from Alfi- I'm a bit worried though - we are at a race day and all the photos have clowns in them, no racing shots Alfi?? - Thanks Alfi.

Steve Dansie sent me photos of last club day, thanks Steve. All these help make the editors job easier to do.

So make a cuppa and sit back there is a lot of reading to be done.

PS. Be careful what you use to mount your tyres, bees wax is the safest – see Marge and Kev. Lots of talk about using things such as WD40 or detergents- all have traces of chemicals which can be detected through testing- Play it safe use something like bees wax.

See you at the Track- *Clarkey*

The C & D Grade Championship- The Entertainment.

I'm a bit worried, Alfi goes to a kart race and sends me photos of clowns- what's that mean Alfi?

Anyhow we had a visit from Koko the clown and boy he was everywhere, including helping Frank and Alfi repair that kart, couldn't have hurt any?

Every time I saw this bloke he had a crowd following him, he really kept the kids enthralled. Thanks for the photos Alfi.

Alfi and Frank gets some advice.

Koko staying still for a moment.

Spot the clown – sorry boys couldn't resist.

Even the canteen wasn't a safe spot.

I don't want to know what or why.

Nope, not even safe on the In Grid.
