This month in Karting:

The club put on a fantastic meet for the second round of the Golden Power Series, held on 7 & 8th May. It was the first run for the new light system, which all in all was a great success, with a bit of fine tuning for the drivers and officials.

The Auction night is our major fund-raiser for the year and is fast approaching on the 9th July. Please get behind this event and book a table now.

See the following page for a list of some items to be auctioned on the night. It is not too late to donate items, contact Alfi if you have anything to donate.

The money raised is used for improvements for your club, and it is also a great social night for the club. A big thank you to Alfi and the committee for their hard work in putting this event together.

The next general meeting for the club is on 7th June, 7pm at the clubrooms, all are welcome to attend.

State Technical: Dunlop “Lubel T” tyre compound for putting on tyres that was used at the Vicy Open – other State technical officers would like a jar of this.

No reports from State Track, Scrutineer, or Publicity.

There will be a discussion at the meeting 12th May about Channel 31. More about that later.

Agenda items for meeting 12th May, 2011.

Item 1: Albury Wodonga Kart Club immediate adoption of the AKA’s new E grade licence, at the suggested cost of \$49.00.

These would have to be \$60.00 as there are extra costs involved in processing this licence. Etc – Manual, licence post etc.

These licences would not be a part of the licence voting system at VKA level. This will be discussed at May meeting.

Item 2: VKA come n try karts & trailer. Will be ready approx. end of April-middle of May.

1. Club Roster.
2. Maintenance of Karts-clubs to ensure that the karts are cleaned after use
3. Signed Contract for usage by clubs – list of items in the trailer.
4. Maintenance requirements for the karts.

All clubs to send in some ideas on how to work a roster etc, for May council meeting. The AKA marketing manager to assist clubs with promotion of a “come n try day”

Item 3. Channel 31 proposals as presented at March council meeting – discussion the cost and how it will promote our sport, location of where channel 31 is seen etc. May meeting discussion.

Item 4: Sportsman 125 class: Discussion on the motion moved last month to use MG WZ White wet tyres for this class. VKA poll results:

Current poll is 45 Answers (61%) Allow use of MG WZ White, Mojo W2 and Dunlop KT6SL W1.

Only allow use of MG WZ White 27 answers (39%)

Notice of motion: that we move that the Sportsman 125 Class **WET** tyres be Dunlop KT6SL W1.

Agenda item for May council meeting.

The May council meeting will be long with all these items up for discussion. Graeme and Phil will inform us at our next meeting with results.

Race Reports: Our sincere congratulations to Nicholas Ellen and Jordan Caruso for becoming State Champions at the Victorian Open, and again to Nicholas for becoming National Champion at the Australian Nationals held in Western Australia over the Easter weekend.

General Business: A big discussion was held re lap scoring, and a new computer and monitor. (Which Glenn has ordered through Pam (VKA). Sharon and Lorraine was telling about all the mishaps, trials, The girls in the lap scoring really do need the extra computer and monitor, so if there is an error, one can fix that while the other one can be doing the other race, so that there will be no hold up in the racing. The girls like to have some lap scoring training school, with all the updates that are coming into the system. Club will ask about the request.

Michael Downing: New Lights Younger children on track, not many other people in the middle to help them if they have a mishap. Something will be worked out about help?

Notice about up coming meetings, Michael has been talking to Alfi, Michael was asking for additional signs, Michael has a couple of people who are interested in sponsoring. Alfi discussed frame work but after discussion with members present that we start with putting them on the outer wall of the canteen. Size 2400 X 1200 sign. Price \$1000 year and sponsors pay for their sign. Alfi is doing up flyer, so if anyone is interested in having one of these signs, please see Alfi.

Lorraine Aitken wanted to congratulate Louana and the two young men for doing a great job with the point lights.

Jenny Monds Members racing around Thursday afternoon ending in the chips and making a mess. Foot note to Jenny's complaint when members go into the chips please rake them up after you have done the mess, The track is always clean so please leave it as you find it, it is your club and we should all be proud of it. Please do not leave it for some one else to clean up your mess. Thank you.

Alfi would like to thank everyone that give us a hand in the canteen especially the mothers that help out on Mother's day. He would also like to add that we had another record breaker with the biggest ever taking for the canteen.

Entries: Regarding the entries, putting them on line and how they pay. Looking into this matter of payment. Will keep you informed. Opens only.

Geoff Medew Thanked everyone for their help. At the Power Series.

Grant Wicks. Has been talking to Jason Bright, Jason has offered a hot lap for auction night. Trying to get him to talk here on a club day, when he has spare time. Grant has to get in touch with Jason. Lost analogue reception on TV, were going to by new one, but yesterday Graeme was offered an big TV. Thank you to the person who donated the TV. Greatly appreciated it will have full use.

Point Lights: We learnt a lot about them, maybe we have to lower the lights from 4 tyres to 2 tyres, Officials will look into this matter.
