This month in Karting:

Drove north last week to the East Coast over 40s titles at Coffs Harbour and had a great weekend.

Representing our Gippsland club was Tim Marriott, John Schena and myself. Weather stayed fine up until Saturday with a few showers, and heavy rain forecast for Sunday. We woke up Sunday morning to a very wet day for the pre-final & final races. Tim Marriott had a good drive in the final, coming from 12th - got up to 6th in Clubman Heavy. John Schena in Senior National S.H. started on pole and won the final, and in Clubman Heavy got 4th in the final.

My day didn't go as well as the others with a disappointing DNF in the final. Conditions were the wettest I've ever raced in!

Coffs Kart Club run a great event, and if you are over 40 and ever get the chance to race there, it is well worth the trip.

CLASS STRUCTURE

Medium term and future longer term plan created for class structure which deals with:

- a. Immediately reduce and/or combine classes per 10 maximum per event
- b. The need to create some form of grading or channeling of competitors into experience levels
- c. Evaluation of engines currently in use and which are delivering value for money
- d. Tyre situation with the aim of reducing the number of specifications in use to simplify the situation for the karter
- e. Reduction of technical variables where possible. Entering via 125 restricted not compulsory 125 Restricted Competitors being able to go up to Open 125 but then go back without complication.

It was decided that a pair of committees would be formed for the purposes of future planning and engine configurations in the categories mentioned above. A committee chaired by AKA New South Wales President and NKC co-delegate Steve King, in consultation with Craig Denton and Chris Dell, will

Investigate the options for improving the parity of the current engines in the Midgets and Rookies categories.

Karting WA President and NKC delegate Gary Light will chair a second committee in consultation with Kevin McKinnon and Drew Price with a focus on the National and Clubman engines.

“These committees have been formed to investigate the options that are available, or are planned to be available in the future, for these categories.

A significant amount of time was dedicated towards the future of the 125cc categories and improving the product for the Australian Karting community.

Bendigo. Rd. 3 Power Series. 227 entries:

Grant Wicks. Wet Saturday morning, rest of weekend dry. Mike Alger. Most of the drivers had some trouble. Peter Aitken. Badly organized, no parking helpers. Enjoyed the track, very hard to set the kart. Over 40's had lots of mishaps. Track dry and grip. Glenn Wall. Had a good time right up to last five races, very busy with some hearings.

Graeme Monds: Bendigo very good, track presentation very good, race meeting went very well. Karters are learning how to start, 2 laps then start the race.

Congratulations to Jordan Caruso 3rd Midgets, Troy Alger 3rd Rookies, and Blaine Densley 1st in J Max. Apologies if I have forgotten any other winners, I was only told of these three.

General Business: Grant Wicks Jason Bright sending certificate. 20th September at Calder Park. No date for talk at club as yet.

Simon Pooley: Carolyn calling out for a trolley to go and get karter from the track, Karters if you could mark your trolley, then if it is wanted your pitcrew can get it quick, as we cannot hold up proceedings. Jeanette said that your people should be watching the race in case.

Daniel Inglis: Flyers to get new members, leave them at businesses for people to read. Looking into this matter.

Grant Wicks: Still working on static display at Bunnings. Will be in warmer weather.

Geoff Medew: Last club day went well. If we could get the 2 Jasons (Bargwana & Bright) at the Club to talk to the karters that would be great.

Glenn Wall: C Grade sup-regs. Had a discussion with members present. These have now been sent to Pam for approval, so they should not be very long before they are out. Thanks Glenn.

Jenny Monds: **PLEASE DO NOT STAND IN AMBULANCE DRIVEWAY. This means everyone.**
