This month in Karting:

Just a short message to all that I have not renewed our membership in the club as we are doing other things other than karting I have been karting for over 20 years and my boys have lost interest in it so I found I was not enjoying racing anymore The gippsland Gokart club has been great to me and my family and I wish You all well in the future . The clubs way of communicating with members has been newsletters but my personal feeling is Facebook is the new way people communicate . That's up to club to vote on it so just too let the club know this is my last year of news-letting and hope you find someone to take up this role for the club

Thanks

Yours sincerely
