Hello members, friends & visitors
and welcome to the April 2017
edition of the Gippsland Go Kart
Clubs newsletter,

Our year of racing is well & truly underway, the last couple of months have seen members enjoy great club day action as well as some larger race meets having taken place, this newsletter comes out after the first round of the Victorian state series was held at Eastern lion's kart club (Pucka).

Steve Dansie - dansiesme@bigpond.com

Several Gippsland members travelled to take part in this race meeting.

All results can be found below in this newsletter.

Our April club day looks to be a great day being held only one week before the 3rd round of the Golden power series is at Morwell, (6th & 7th May) hopefully we see several visitors attend to get some practice in resulting in another quality club day.

A quick shout out to all the officials who help make Gippsland go kart club the great club it is, without these ladies & gentlemen being there on the day we wouldn't go racing

The Gippsland go kart club has a great family atmosphere & welcomes all new & old members to its race days & general meetings, all are welcome & remember if you know any new perspective members pass the word along & invite them to attend a race day & feel the fun atmosphere for themselves.

Cheers.

Don't forget April club day is Sunday 30th

State Scrutineering Coordinator:

State Track Inspector:

Note to all clubs – that if they wish to do any changes they must notify the state to get the approval from the State track inspector.

Agenda items: 1. Mildura Kart Club: Re Victorian State Cup rotation.

That all eligible Victorian Clubs go on a roster system for the hosting of the Victorian State Cup.

That all clubs who are eligible reserve their right to decline the event and the opportunity go to the next club on the list.

That clubs have the infrastructure in place to be eligible to run the event and the venue be inspected 6 weeks beforehand and all infrastructure be completed at the time of that inspection. The cost of that inspection be covered by that host club.

The clubs that presently host the Australian Karting Championship or the State Championship are ineligible to host this event.

That clubs will only be eligible to host the event every 5 years, unless the previous club on the roster declines to run the event

The precedent has now been set with the State Championship being placed on a roster and we believe it is now time for the Victorian State Cup to be placed on a roster system as well
Discussion and some questions on the above submission.

Clubs agreed but would like to have the process thought through and put on paper this needs to be discussed at a face to face meeting in February to put together the Criteria set for the holding of this event, Makeup of the club Roster.

Criteria for this event will need to go into the state series regs.

That the Victorian State Cup go on a Roster system.

General Business:

Oakleigh delegate: KA club competition revised race formats that have been sent out in February.

Some club day sup regs have the old formats are they going to be told that they must comply with the new race formats?

Clubs have been notified that they must run to the new formats.

2. OLT's states this has to be completed by a grade 3 steward/Clerk of Course this needs to be looked at. As some clubs maybe having trouble getting a grade 3 on the Saturday to do these before club day.

Many clubs are in the same situation but the rules are clear must be a grade 3 or higher.

Thank you Graeme for your report.

General Business: A discussion was held regarding the C & D grade this year? C&D has changed a lot

over the years, less numbers over the time.

A suggested change of name and open to all classes. Name: Gippsland Open. More discussion needed.

C & D 5th & 6th August 2017. Practice Saturday and Racing Sunday. Advertise it as our last "C&D" grade.

Bring a mate? KA policy, have to go through KA. You cannot run it by yourself.

Grant Wicks: Rule change. Qualifying.. Power, Country Series. Stand alone opens. No qualifying. Decide

a series, you can have qualifying or random draw. Grant to submit rule change form.

Glenn Wall: Change rule. Competition Rule, chapter 1. Rule 22,d0,(Xiii). Glenn's new rule change.

Using the phrase "lined up in two (2) lines is ambiguous in its meaning. The work "line" can mean straight

crooked, curved, staggered etc..

the rule could read "lined up in (2) straight line behind the other, at a reduced and constant speed etc.

Glenn has also filled in rule change form.

Phil also filled in change to rule form.

Geoff Medew: Garth & Alfi. Would like to hand a banner over our big trailer advertising for the Big Mens Event. Prostate cancer.

Shannon Bright: Minutes in newsletter. Yes. Tyres: Shannon asked where the tyres had to go turn one. it was explained to him that turn 2 was to be done first after a retaining wall was built by T Correa.

Lynda Richards: School flyers. Advertising club day. Grant to do some flyers. Advertise for Hire Karts??

Lorraine Aitken: Speaking on Ross Millers behalf, he and Curt would like to live stream on Facebook.

Power Series. Race Monitor set up. Phil to see into matter.

Anita Stratton: asked about covers for the programs for Power Series?

No cars allowed in the pits at any time. They have to be unhooked and put in another area. Karting Australia rules. Please obey this rule.
